

HEBOCLIP for direct assembly

PRODUCT DESCRIPTION

The HEBOCLIP for direct assembly serves as a universal carrier for shield clamps with a clamp diameter of 1.5 mm to 30 mm.

For example, it can be screwed directly onto the mounting plate. Snap the chosen shield clamp into the clip and push the cable shield into the shield clamp.

ADVANTAGES

- // direct assembly with an M4 or M5 screw
- // universal bracket for shield clamps with a clamping range of 1.5 mm to 30 mm

- // smaller range of items due to the variable mounting combinations
- // fewer stock items needed
- // very compact design
- // strain relief with cable binder with HDZ

TECHNICAL DATA

Material: galvanised spring steel

ACCESSORIES

- // Shield clamp
- // Shield clamp Multi
